

PHS Gamebird vets roadshow 2023

We would like to invite you to join us **virtually** on:

Monday 27th February or Wednesday 1st March or Friday 3rd March @ 3.00pm

Free to attend

“Avian Influenza; lessons learnt from 2022 and what we should expect this year.”

With Dr Will Ingham, PHS Lead Game Vet

“Q & A session with APHA”

With Guayente Reyes Lopez, APHA Veterinary Advisor

Whilst you will be able to ask questions on the day, we would appreciate if you could submit any questions which you may have to the APHA in advance; please email these to sheriffhutton@poultryhealthservices.com. The questions will be raised anonymously to APHA and responded on the day of the event. This is your opportunity to ask any concerns that you may have regarding the import of eggs, movement of birds, licensing and biosecurity for your business. To register, please email sheriffhutton@poultryhealthservices.com or contact your local PHS branch and tell us which date you would like to join us, your name, email address and associated business name. A link for the meeting will then be provided to you.

WE LOOK FORWARD TO SEEING YOU!
